## **ELECTRICAL CONTRACTORS**

### **FOR SMOKE DETECTORS, EMERGENCY LIGHTING, EXIT SIGNS, ETC.**

- The following list of contractors performing the testing, service, and installation of smoke detectors, emergency lighting, exit signs, etc., is provided as a convenience and is not to be considered an endorsement nor a complete list.
- Electricians must be licensed electrical contractors by the Contractors State License Board of the State of California Department of Consumer Affairs (with a C-10 license).
- Please visit the Contractors State License Board website at [www.cslb.ca.gov](http://www.cslb.ca.gov) (or call 800-321-CSLB) for important consumer information before hiring a contractor, to verify contractor's licenses, and for questions or complaints.
- Testing of smoke detectors and electrical systems must be done in accordance with Title 19 and the Glendale Fire Code.
- New or added smoke detectors, exit signs, and emergency lighting may require an electrical permit. For more information, contact Building and Safety at (818) 548-3200.
